Proposal: Replacement windows; infill porch; patio doors; internal alterations; repairs; demolition of 1no. chimney (Application for Listed Building Consent)

Decision

PERMISSION for the reasons listed below but would accept the decision reached by the National Park Authority's Officers under their delegated powers.

Reasons: The property is clearly in need of repair, and this offers an opportunity for improvement in both useability and energy efficiency. The proposed changes will have minimal impact on the property when viewed from the street and don't impact on the character of the village.
